

Walking with God Day by Day
MARTYN LLOYD-JONES 2013-05-31
Be devoted to God with your heart and your mind. Do you look to devotional books for guidance as you seek to focus your heart on the Lord each day? If you do, you know that too often devotional material fails to engage the mind in addition to the heart. Touching stories replace the very source of lasting encouragement and strength we need each day—the truth of the Word of God. But this is never true of Dr. Martyn Lloyd-Jones’s writing. Walking with God Day by Day offers brief daily devotionals that engage the mind and the heart. You will not just find spiritual nourishment in its pages; you will learn about God and the great themes of the Bible. Robert Backhouse has compiled excerpts from choice passages in the writings of Dr. Lloyd-Jones according to monthly themes. By reading this devotional, you will grow in your understanding of God and learn to apply the truth of His Word day by day.

L’ALLIEVO E IL MAESTRO. RIFLESSIONI SULL’ESISTENZA
Vito Prestigiacomò 2016-07-11
Che cosa siamo? Perché viviamo? Qual il vero scopo delle pi grandi istituzioni religiose? Perché cos difficile vivere una vita felice? C veramente qualcuno che tira i fili nell’ombra, allo scopo di tenere la gente schiava della propria ignoranza? Perché ? “L’allievo e il maestro, riflessioni sull’esistenza”, cerca di far luce su questioni troppo spesso poco analizzate; un concentrato delle conoscenze dell’autore riguardo la vita, intesa come esistenza spirituale e materiale. Tramite i due protagonisti, l’allievo e il maestro, due figure astratte “presenti” in ognuno di noi, tratta della realt e del vivere, cercando risposte alle domande esistenziali ma relazionandole con il quotidiano, troppo spesso distinto dalla scena ideale che i grandi pensatori ci fanno sognare.

Si fa presto a dire “Bibbia”. Quasi tutti ne possiedono una copia e quasi tutti pensano di conoscerla... ma davvero così? Quanti sanno che la Bibbia non un libro bens una “biblioteca” comprendente svariati titoli dai generi letterari pi disparati? Quanti hanno provato a leggerla dall’inizio alla fine senza riuscirvi? Questo libro per costoro! Non un libro di religione, né di teologia, ma una guida alla portata di tutti coloro che desiderino arricchire il proprio bagaglio culturale senza accontentarsi del “sentito dire” e senza sbadigliare ma, anzi, appassionandosi alle vicende e alle vite dei personaggi di quest’epopea senza uguali. È sorprendendosi di risvolti e messaggi inattesi e mai sufficientemente sviscerati.

Figli delle stelle - Le origini
Davide Baroni 2019-07-29
Un uomo fugge, tiene per mano la propria compagna. Per difendere il loro segreto devono abbandonare il posto dove sono nati, dove hanno sempre vissuto. Il Padre non li avrebbe mai perdonati, il peccato che hanno commesso troppo grave. Devono lasciare quel luogo sicuro, protetto, quel giardino meraviglioso. Costretti a scappare per sempre, non vedranno pi l’Eden. Una fuga lunga quanto la storia dell’essere umano. Una fuga mai interrotta che prosegue nei secoli fino a giungere ai giorni nostri. Un ritrovamento fortuito. La svolta. Un team internazionale di archeologi ha scoperto qualcosa di sconvolgente sotto Civita di Bagnoregio, un borgo sospeso nel cielo, un paese simile a un quadro pennellato dalla natura, dove 12 famiglie custodiscono un mistero primordiale. La squadra di esperti scienziati, guidata da Sonia Tucci, ha trovato un libro contenente le risposte che assillano da sempre l’umanità : Chi siamo? Da dove veniamo? A difesa di questa verit scomoda e pericolosa entreranno in campo forse occulte che non si fermeranno davanti a nulla pur di ridurre al silenzio Sonia e i suoi collaboratori. Gli archeologi saranno uccisi uno a uno, senza piet. Riuscir qualcuno di loro a sopravvivere alla truce mattanza e svelare l’arcano? Un uomo cammina per le strade di Colonia. Stringe in mano un libro e, mentre ne accarezza la copertina, legge il titolo: “Figli delle stelle - Le origini”. Tra quelle pagine si cela la risposta tanto agognata, presto il segreto di Adamo ed Eva sar rivelato al mondo. La fuga iniziata in tempi antichi pu essere interrotta. Adamo ed Eva saranno finalmente liberi dal peccato.

La Chiesa Cattolica Romana al Vaglio della Bibbia
Raffaele Spitale 2016-06-03
In questo libro la mia intenzione di passare al vaglio della Bibbia la fede cattolico-romana, con lo scopo principale di presentare la verit biblica sulla natura del vero cristianesimo. Per fare ci riporto delle citazioni chiave estratte da alcuni concili ecumenici e dal catechismo cattolico dalle quali emerge la natura dell’insegnamento cattolico-romano, e metto in contrasto questo insegnamento con quello della Bibbia, principalmente su temi come “Sacramenti”, “Maria”, “Giustificazione”, “Battesimo”, “sacra Tradizione e Magistero”, “Eucaristia”, ecc. Questo contrasto evidenzier in modo inequivocabile la testimonianza della Bibbia sul vero cristianesimo.

God and the Gay Christian

Nouwen probes the several movements of the parable: the younger son’s return, the father’s restoration of sonship, the elder son’s resentfulness, and the father’s compassion. The themes of homecoming, affirmation, and reconciliation will be newly discovered by all who have known loneliness, dejection, jealousy, or anger. The challenge to love as God loves, and to be loved as God’s beloved, will be seen as the ultimate revelation of the parable known to Christians throughout time, and is here represented with a vigor and power fresh for our times.

Matthew Vines 2015
“God and the Gay Christian is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author’s clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation’s most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed.” — Rachel Held Evans, author of A Year of Biblical Womanhood and Faith Unraveled
As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he’d been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as:
• Do biblical teachings on the marriage covenant preclude same-sex marriage or not?
• How should we apply the teachings of Jesus to the gay debate?
• What does the story of Sodom and Gomorrah really say about human relationships?
• Can celibacy be a calling when it is mandated, not chosen?
• What did Paul have in mind when he warned against same-sex relations?
Unique in its affirmation of both an orthodox faith and sexual diversity, God and the Gay Christian is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian. Ancient Aliens in the Bible
Xaviant Haze 2017-10-23
“Starting from the Old Testament these pages address the story of what is often not highlighted or, worse, deliberately forgotten or interpreted differently in order to conceal the potential disruptive effects.”—Mauro Biglino
Did a distant race of ancient aliens once inhabit the lands of the Bible? Do the ancient writings of the Bible and other texts provide proof of their existence? Did the “prophets” have close encounters with ancient aliens? Were the “angels” physical beings sent to perform specific tasks by their alien masters? Ancient Aliens in the Bible answers these questions and more. Analyzing the historical and archaeological evidence, and using the work of former Vatican translator Mauro Biglino as his guide, Xaviant Haze provides ample proof that what our ancestors described in ancient biblical texts were real-life events and not visions. The UFO encounters in the Bible are described as concrete experiences by flesh-and-blood beings. The angels were assigned specific duties and struggled to carry them out; some even rebelled and took earthly wives, forbidden by their superiors. Ancient Aliens in the Bible reveals that:
• Lamech’s wife gave birth to the son of an angel with glowing eyes.
• Moses was led to the promised land by UFOs.
• Noah’s great-grandfather, Enoch, got a heavenly tour of space.
Your view of the Bible will never be the same.

The Bible Unearthed
Israel Finkelstein 2002-03-06
In this groundbreaking work that sets apart fact and legend, authors Finkelstein and Silberman use significant archeological discoveries to provide historical information about biblical Israel and its neighbors. In this iconoclastic and provocative work, leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors. They argue that crucial evidence (or a telling lack of evidence) at digs in Israel, Egypt, Jordan, and Lebanon suggests that many of the most famous stories in the Bible—the wanderings of the patriarchs, the Exodus from Egypt, Joshua’s conquest of Canaan, and David and Solomon’s vast empire—reflect the world of the later authors rather than actual historical facts. Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel, The Bible Unearthed offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today.
