The Ultimate Book of Survival Gear James C. Jones 2021-04-20 When the Sh*t Hits the Fan and The End of The World As We Know It Has Arrived, Who Will Survive and Who Will Perish? Chances are that those people who seriously prepare ahead of time, who have contingency survival

plans, will have a definite edge over most other people. Part of those contingency plans involve having the right gear to help you make it. In this book, survival expert James C. Jones lists every item of gear you need to have in order to survive and, eventually, thrive. Here you will find detailed descriptions of the following gear: sleeping bags, shovels and saws, stoves, clothing and footwear, advanced medical care equipment, communications and monitoring devices, biological and chemical survival equipment, and much more. Not only is every item examined carefully, but Jones also tells you how to use it, and how to maintain it. You may not take the possible ending of the world seriously, but you need to, as it is a real possibility - and those who survive are those who are prepared.

When Disaster Strikes Matthew Stein 2011-11-16 Disasters often strike without warning and leave a trail of destruction in their wake. Yet armed with the right tools and information, survivors can fend for themselves and get through even the toughest circumstances. Matthew Stein's *When Disaster Strikes* provides a thorough, practical guide for how to prepare for and react in many of life's most unpredictable scenarios. In this disaster-preparedness manual, he outlines the materials you'll need-from food and water, to shelter and energy, to first-aid and survival skills-to help you safely live through the worst. *When Disaster*

Strikes covers how to find and store food, water, and clothing, as well as the basics of installing back-up power and lights. You'll learn how to gather and sterilize water, build a fire, treat injuries in an emergency, and use alternative medical sources when conventional ones are unavailable. Stein instructs you on the smartest responses to natural disasters-such as fires, earthquakes, hurricanes and floods-how to keep warm during winter storms, even how to protect yourself from attack or other dangerous situations. With this comprehensive guide in hand, you can be sure to respond quickly, correctly, and confidently when a crisis threatens.

The Ultimate Survival Medicine Guide Joseph Alton 2015-08-04 No one knows what the next disaster will be: earthquake, Coronavirus, flu epidemic, flood, terrorist attack. But everyone should know how to survive a medical emergency if a medical professional isn't available. From Dr. Joe Alton and Amy Alton ARNP comes an updated edition of their bestseller *The Survival Medicine Handbook*. This unique medical book is meant to enable the average person to handle injuries and illness in situations in which modern medical facilities and professionals aren't available due to a disaster. This book is written by America's top medical preparedness experts: Joe Alton, MD, and Amy Alton, ARNP. Their mission: to put a medically prepared person in every family for when medical help is not on the way. Using decades of medical experience, they address, in plain language, dozens of medical issues associated with surviving disasters and epidemics. The Altons also discuss the medical

supplies needed to become a medical asset to your family and community as well as alternative and natural strategies for when pharmaceuticals aren't available. Topics include: Appendicitis and Conditions that Mimic It Urinary Tract Infections Mosquito-Borne Illnesses Allergic Reactions and Anaphylaxis Head Injuries Animal Bites Snake Bites Head injuries Kidney Stones Dislocations and Fractures Nosebleeds Pain Medications Natural Pain Relief And much much more! Most medical books will send you to the doctor or hospital when an emergency happens. The Altons assume that the worst might actually happen—that the average person could be left without medical help in a disaster. With their book, you can keep your family healthy in times of trouble.

When All Hell Breaks Loose Cody Lundin 2007-09-20 A survival expert's guide for every family to prepare and educate themselves about the skills and mentality necessary to survive a disaster anywhere. This is not your father's scout

manual or a sterile FEMA handout. Entertaining and informative, *When All Hell Breaks Loose* describes how to maximize a survival mindset necessary for self-reliance. According to the book, living through an emergency scenario is 90 percent psychology, and 10 percent methodology and gear. Relevant quotes and tips are placed throughout the pages to help readers remember important survival strategies while under stress and anxiety. Lundin also addresses basic first aid and hygiene skills and makes recommendations for survival kit items for the home, office, and car. Watch naturalist Cody Lundin in *Dual Survival* on The Discovery Channel as he uses many of the same skills and techniques taught in his books. *When All Hell Breaks Loose* provides solutions on how to survive a catastrophe. Lundin addresses topics such as:

- Potable drinking water
- Storing super-nutritious foods
- Heating or cooling without conventional power
- How to create alternative lighting options
- Building a makeshift toilet & composting the results
